Interview with Mr. Redskin himself:

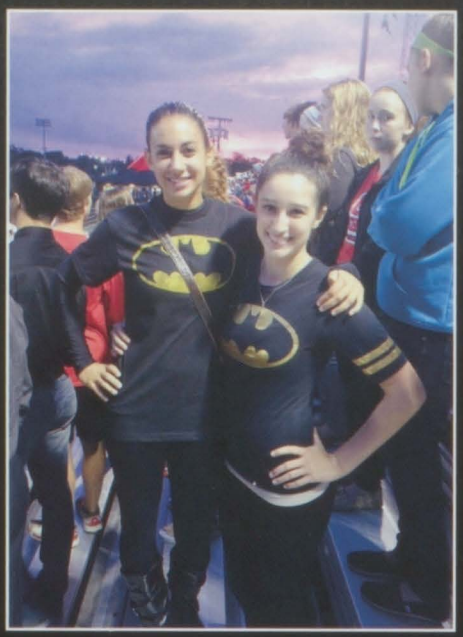

Q: How long have you been standing in the GHS main gym?
A: Long enough to see many Redskin generations.

Q: What does Redskin Pride mean to you?
A: Redskin pride is a feeling of support and care for all GHS activities. GO BIG RED!

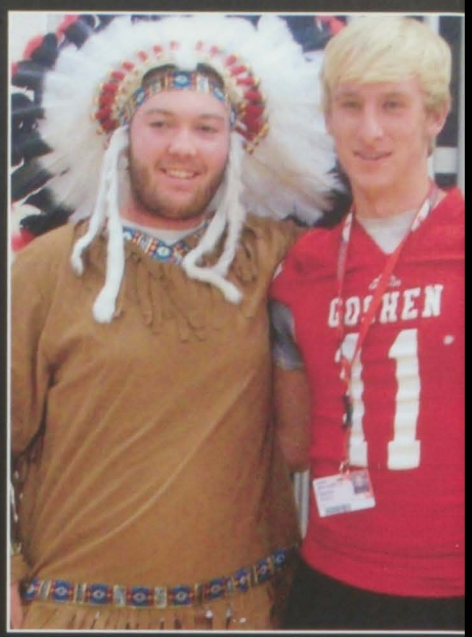

Q: Over the years has Redskin Pride improved?
A: Yes, I always see more people enjoying their time watching, supporting, and caring for the GHS activities.

Q: How does Redskin Pride include academics?
A: Redskin Pride is not only about extra-curricular activities. Academics is where GHS is rooted, and is how students will develop in their journey of life.

Any Last Words...

Hunter Abney

"Dis owner ain't paying the bills!"

Mason Picking

"Flannels and foreheads don't mix."

Gustavo Burciaga

"Try to enjoy Highschool as much as you can."

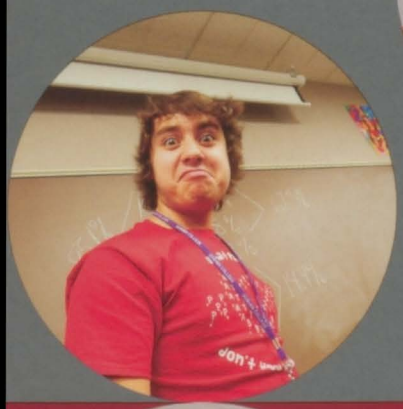

Autumn Baird

"I have really enjoyed working at Interra Redskin Branch for ICE. I'ts a big responsibility when you are a senior."

Jeffrey Looney

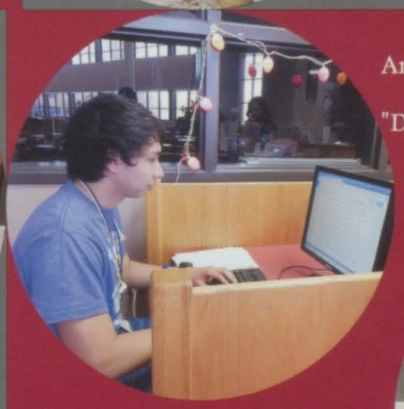

"My advice for next year's seniors would probably be don't procrastinate. Good luck and have fun!"

Quinn Brenneman

"If you find something amazing do everything you can to keep it. Don't throw it away."

Antonio Ruiz

"Don't get seniorities!"

Jose Ortega

"Don't slack off and leave everything until the last minute."

Nick Hess

"Can i get some swag on the side young lad?"

Victoria DeVries

"Don't stop believing class of 2014. I can't wait to see all of you old wrinkly people at our class reunion. Growing up with you guys has been amazing, I can't wait to walk with you guys in June".

Juan Cordona

"I am the supreme!"

Deric Haynes

"Strive to be the best you can be. High school has its up and downs, but in the end its a great experience".

Class of 2017 welcomes Tracy Wertz as new class sponsor.

Mrs. Wertz chose to take on this job for personal reasons. Her son, Nathanael, is a member of the Class of 2017. Since her son is a freshman, she already knows many of the students in this class. Two of the things this class annually participates in are homecoming and fundraising. Mrs. Wertz encourages freshmen to get involved in Student Council to help make decisions and to raise school spirit. Being a part of something is a great influence on the student graduation rate.

Class of 2016

Homecoming week is a time for GHS to go out and have fun showing their school spirit. The student body does this by participating in spirit week where each day of the week is filled with fun activities. Returning to GHS this year was the pep rally on Friday afternoon. All of these festivities lead up to the homecoming football game and dance.

Fall Play

The Crucible is a 1953 play by the American playwright Arthur Miller. It was initially called "The Chronicles of Sarah Good". It is a dramatized and partially fictionalized story of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the U.S. government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play [in a] driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama.

BLOOD DRIVE

Brady Coblentz (11), Chase Gregory (12)

Pablo Rangel (12)

Lindsey Short (11)

A blood drive is to donate blood to save lives through the American Red Cross. The blood drive is for students that are seventeen and over. Sixteen year olds can donate with parental consent.

There are a variety of rewards that are involved in donating blood. First three blood donations you receive a Red Cross Red Cord. If you have served eight hours of Red Cross services, you receive an opportunity to win a scholarship. Finally if you give five blood donor referrals, you receive a recommendation letter from a Red Cross executive.

Approximately two hundred students participate once or twice per year. November twenty-second and April twenty-fifth were the two days dedicated to giving blood.

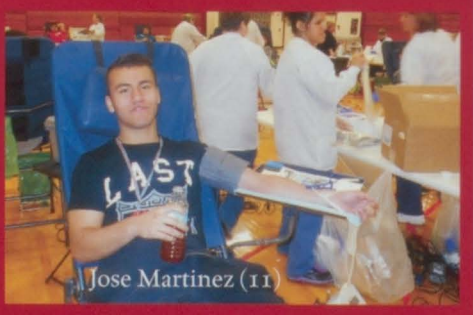

Students are released from class to register and donate. They are given refreshments and time to rest before returning to class.

The blood drive started at Goshen High School in ninteen ninety-five and was started by Rick Clark. The drive has continued under the direction of Jenny Clark.

The Best Christmas Pageant Ever

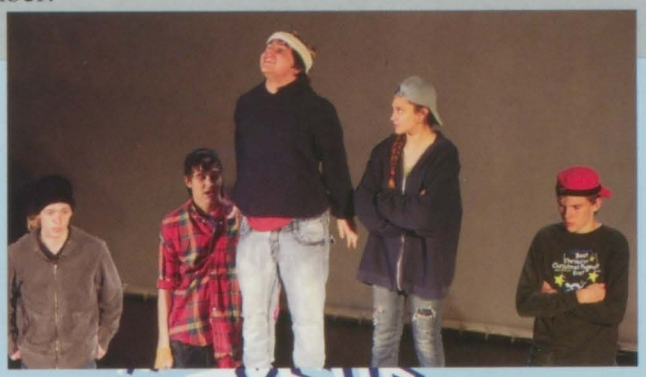

This play took place in the historic Goshen Theater located in downtown Goshen on Main Street. This play is based on the book The Best Christmas Pageant Ever by Barbara Robinson, and was directed by Susan Hepler Long.This play is about six delinquent children by the names of Claude, Ralph, Leroy, Ollie, Imogene, and Glady's. They attend church for the first time because they were offered a free meal. Though many people were against them being there, that still didn't stop them from going. Not only that, but they also to volunteered to play all of the roles in "The Christmas Story" in which they told it in a very interesting way.

Esteemed as one of the best Christmas stories ever, the students played to a standing room only crowd on First Friday's in December.

Winter Semi-Formal

The Winter semi-formal dance was held in the Whiteman Gym at GHS. All students were invited to participate in the dancing and refreshments. The attendance was a great turn out. This annual event sponsored by Student Council can help pay for anything from the functional skills prom to extra graduation expenses. The DJ for this event was DJ Sticky Boots (Blake Ecklebarger). GHS also hired Balloon-Ala-Mode to decorate.

This year Goshen High School displayed an excellent portrayal of the classic story of Willy Wonka. Students worked hard each and everyday to put on their spectacular take on this classic story. They had every element of the story from the chocolate river to a factory full of oompa loompas. Each detail made for a great performance for both young and old. It was witty, charming, and skillfully acted out and come on, who doesn't love the idea of owning a chocolate factory?

PROM

2014

The 3rd annual Functional Skills Prom was held on Thursday, April 17 at GHS. Students from Goshen, Northwood, Concord, Northridge, and Fairfield were in attendance. The prom was held in the Whiteman gym at GHS during SRT and fourth period. The RedZone sponsored the cost of a local DJ for the dance. The cafeteria prepared and catered the meal. Student council members, members of the swim team etc., attended the prom to mingle and dance with their peers. The prom was originally initiated by GHS Functional Skills teacher, Karen Pfahler, and has quickly become a highly anticipated event at GHS.

GHS CLUBS

We the Students

Fusion Latina

Goshen High School provides many different extra curricular activities for students to take part in. Anywhere from the sports area to the music area. GHS feels that students should have as much participation in school activities, as standards will allow. In order to do so, they have organized clubs that students can either voluntarily join, or earn a spot on the committee. If students do not find a club that interests them, they can form their own. With an approval and a sponsor, students will be able to meet people who share the same interests. Clubs are a great way to find friends while having fun at the same time.

Ski Club

FCA's annual "See You at the Pole"

"See You at the Pole" is a student-led event that takes place on the fourth Wednesday of September. The students gather in the morning around the school flag pole to pray, read scripture, and sing songs.

Month of Compassion

The Month of Compassion is an event that is intended to help those who are not able to have holiday meals. GHS collects donations of canned and nonperishable foods that are later donated to The Window, a local charitable organization. Students help donate, organize and load the food in order to prepare for the donation.

The Goshen High School Music Department had a very successful trip to Atlanta. They left on Wednesday, March 19 and came back Sunday, March 22. They brought back gold and silver medals. The Men's Choir, Advanced Choir, Crimsonaires, Symphonic Full Orchestra, Wind Ensemble, and Jazz Ensemble got gold. The Advanced Chorale and the Camerata String Orchestra got silver. Not only did the 180 students perform at Ray Charles Performing Arts Center while they were there, but they also visited many different places. They went to the Martin Luther King Jr. Memorial, CNN, World of Coca-Cola, and Six Flags Amusement Park. Students also heard the Atlanta Symphony and some were able to go to an Ellie Goulding concert. It was a great trip and congratulations to all the students that performed while there.

I often get asked why I enjoy my position as the principal of GHS so much. The answer is really quite easy for me to articulate, and it involves two groups of people.

The first, and most important reason I like my job is because I love the students at Goshen High School. I am continually impressed by the energy, creativity, talent, athleticism, intelligence, and the caring nature of our students. Those attributes show up in clubs, musical activities, interscholastic athletics, coursework, and individual projects. GHS is all about giving kids a chance to shine, and they certainly do! It makes me very proud to tell people that I am the principal of a school where kids do so many wonderful things on such a regular basis.

The second group of people that help make my job enjoyable are the faculty and staff. The caring and dedication that the staff at GHS displays is second to none. The people who work here are most interested in creating an environment where every student can reach their fullest potential. That is not a common occurrence at high schools throughout the nation. At GHS however, it is the expectation and the norm! The staff does whatever it can to help students become successful.

The connections teachers make with students often leads directly to changing the lives of our students. It's difficult for me to distinguish at graduation who is more proud, the graduating senior, or the SRT teacher who shepherded that student through for years of high school!

I offer a most heartfelt thanks to both groups for making the 2013-14 school year so wonderful. GHS is an amazing place to learn and work.

The International Baccalaureate Diploma Program is a demanding, two-year program of curriculum and service that meets the needs of highly motivated secondary students. The Diploma Program offers a comprehensive and integrated approach to learning that prepares students for rigorous assessments in six subject areas during grades 11 and 12. Students must also complete a minimum of 150 hours in Creativity, Action and Service activities, a 4,000 word essay of original research, and a Theory of Knowledge course. The International Baccalaureate Organization (IBO) awards its diploma to students who perform successfully on the six external examinations and fulfill all other requirements of the program at an authorized IB world school. It is recognized as the highest diploma currently offered by any high school in the world. There are also International Baccalaureate certificates rewarded to students who take certain IB classes. This program has developed Goshen High School and set it apart from other schools in the area. It provides great opportunities for driven students who want to be pushed to their full potential.

The English department has many courses available to offer their students as well as advanced placement courses including ACP, College Prep, Honors, and International Baccalaureate. English classes are considered to be the most important course that students take due to its essentialilty in today's society. At Goshen High School, English is a rather large priority for our school. We believe that the more our students study the English language, the more likely they will succeeded.

Goshen High School's yearbook staff is taught by Mama (Mrs. Susan Hepler Long). These students use a program called Jostons to put together a fun filled yearbook. They do this by taking pictures of events and interviewing staff and students. After they have done this, they put it all together and complete pages that will make up the yearbook. This year the editorship is shared by Erica Ecker and Shannon McHaney.

The stimulation of Science classes at GHS motivates students in a variety of ways. They can take different classes such as IB, Chemistry, Bio Tech, Biology, Physics, Anatomy&Physiology and Environmental Science. In these classes you get to experience unique labs and experiments. For example, you can dissect animals and burn salts to create colored flames. Students that need extra help can go during SRT to resource rooms or stay after school with their teacher.

Marine Biology is a program that Goshen High School provides. This year marks the 41st anniversary that the students taking the class went on the trip to the Florida Keys. The course is open to any students that have completed or were enrolled in an advanced Biology class. Prior to the trip, the students attended morning classes on Saturdays to learn and practice the methods and techniques of marine biology. The students attend this trip during spring break, and get to enjoy various tours and activities such as snorkeling and group projects. The trip is loads of fun and educational with a lot of hands on learning. No snow and warm temperatures are two benefits as well.

Stratford Experience

Once again, Goshen High School ventured on a three day trip to Stratford, Canada. A total of twenty-two students were attendees this year. While on the trip, students watched Romeo and Juliet, The Three Musketeers, Tommy, Fiddler on the Roof, Blithe Spirit, and Othello. Not only did this group watch plays, but they were able to take part in a post-show chat, backstage tour, and combat workshop. Ms. Neeb, leader of the organization, says, "I don't know how these people are able to memorize not only one, but two plays. Especially Shakespearean plays."

I loved seeing such high quality theatre. The opportunity to see so many professional shows and meet so many people in such a small amount of time is amazing. You really make memories going to Stratford, and the experience is something you will take with you forever.

Physical Education

GHS offers great PE classes for a variety of different reasons. The classes help prepare athletes by engaging in excellent conditioning for their performance. Classes such as Fit and Feel Good help you stay in shape while having fun. The freshman physical education class GHS offers, gives students the two credits they need to graduate. There is an advanced weight lifting class where strength training and general physical development is taught. After taking Freshman PE you have the option to pick Fit & Feel good and/or the weight training class.

Functional Skills

GHS provides a Functional Skills Department where students have the opportunity to experience classes where they can express themselves. This is done inside and out of the classroom with them partaking in art classes, recycling, weight training, and seasonal card making. Throughout their years, each student learns and develops crucial life-long skills such as craft sales and involvement with marketing. Every individual is able to leave GHS with many of the skills they need in life.

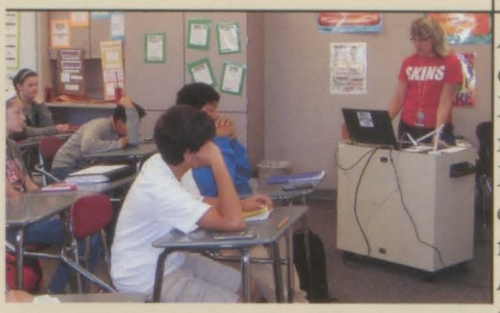

MATH

Class paying attention to the lesson taught by Kelly Kissinger

Algebra, Geometry, Calculus, we have it all at GHS! We have classes to prepare us for college, like our IB math courses. We also have classes that give us extra help because Math is difficult for many students. Algebra II studies, for example, gives students more practice and problem specific assistance.

Math is a requirement for students to graduate, but it doesn't mean it has to be boring or beyond our abilities. We have many classes to choose from and great teachers that motivate us!

Anna Kridler, math teacher at GHS, says "If you don't like it, fake it! Students are given an unlimited amount of retakes on a test. I don't take any lower then a C. It's okay to make mistakes, that's why I carry around an eraser because we can simply just redo it. again!"

English Learners

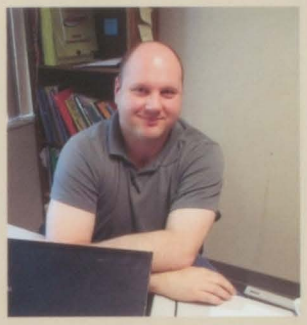

Q: What influenced your decision to be an EL teacher?
A: When I lived in Cote d'Ivoire, it made me appreciate other cultures. -Jen Eberly (Left)
Q: What has been the hardest part in learning the English Language?
A: The grammar and irregular verbs.
-Cristopher Gonlazes (10) (Right)

English Learners is a class for non-English speakers. This class teaches students how to speak and read the English language. The teachers are Jen Eberly and Ben Elias; they create a rigorous and safe environment for the students. EL classes feel challenged and comfortable learning this language that is still a struggle for them. The teachers have many ways for the students to have a better understanding of English. They read books and do many writing and speaking activities to help further their knowledge of the English language. EL students are expected to take the ECA test in order to graduate from high school. The students work very hard to master the comprehension level required on the test.

Foreign Exchange

Carla Louis (right) enjoys hats with her friends at home.

Every year Goshen High School welcomes eligible foreign exchange students from all across the world. They stay with a host family and go to our school for a year. They also establish great relationships with Americans here at GHS. During this year they get to experience many different opportunities along with different cultural events, and this adds to their unique educational experience.

Q: What are some new foods that you have tried here in the U.S?
A: Peanut butter, maple syrup, pie, and there is more fast food here.
-Petra Lindeborg (12)

Q: How do you like the U.S. so far?
A: I love the U.S, and all the different oppertunities. It's cool how there are sports in school. But I mostly love the pie!
-Ines Gonzalez Miguens (11)

Q: What is your main reason for coming to the U.S.?
A: So I could go to an American high school and so I could learn English better.

Foreign Language

Q: What made you want to teach a foreign language?
A:"I like to be the bridge for someone to learn something. In college, I loved seeing peoples eyes when they finally got it. Thats why I'm a teacher." - Javier Ponce

The Foreign Language department is a department in which students can learn the language and culture of a different country. Students can choose to take German, Spanish, or French class. Each language also has its own special trip or club associated with it. Students who continue on within their foreign language, have the option to travel and learn more about the culture they have been studying. These range from small trips to places such as Chicago, or to different countries, such as Costa Rica and Germany.

Career Center and Merit are offered to students at GHS allowing them to further their knowledge or pursue career goals.
Merit is offered for students who need to catch up on credits. Students work at their own pace. Many students even graduate early due to the amount of credit and work they get done.
Career Center is offered to juniors and seniors who want to pursue specific career. They get extra training with professional teachers who know the field. They get a taste of what the career field they have choosen will be like. Students earn 3 credits for attending per semester.

ART

Mrs. Long and Mr Zuber

At GHS there are a lot of classes for students to choose from including Drawing, Ceramics, Painting, Computer Graphics, Printmaking, 2D and 3D art. Art classes allow students to have their own style and show their inner artist. If students wish to continue in art, there are higher levels for them to take. Each course has a level 2 and 3, such as Painting 2 or Drawing 3.

IB Art and Studio Art - AP are the highest level courses for students who choose to pursue art in college or as a career.

The Department holds a annual art auction in the fall and in May students are honored at award night at the art show.

In my late twenties, I developed another passion for film and video and in 2009 I decided to go back to school to get my master's degree in film and television. Attending the Savannah College of Art and Design gave me a whole new perspective on teaching film and I would love to be able to share it here at GHS."

The Social studies classes range from world history to government. Although you might not enjoy history, you need these classes in order to graduate. Our excellent teachers in the social studies department try to make this a fun learning experience for everyone.

JD Russell teacher at Ghs social studies department tries his best to motivate students by adding music and a lot of other interesting things to the class lesson. "I Like to make history exciting combining it with history today. Students are responsible for what they do in class they don't fall behind because i know that they're young adults and are capable of doing their work on time."

Auction

Nathan Welling (12)

The Goshen High School Art department held an art auction on Friday, November 1st at the First Presbyterian Church. Students along with other people who wanted to be in the event got a chance to show their art to not just the school but to the community of Goshen.

Cindy Cooper, Department Chair and Tom Zuber, both teachers at GHS helped their IB students run this auction like the years before. "When we started the auction, we were really pushing it as a fundraiser and not a learning experience but over the years it has become a learning experience even more than a fundraiser. Its for the students to learn more about the possibilites that are out there, the money will be for IB/AP art and scholarships."said Cooper.

Students raised over $1,000.00 for this event.

GTV is a group of students who write and put on a news production every day for all of the GHS students. The news production consists of meetings, sports announcements, weather and special segments. Every year the students create different comical skits that make up special editions. Special editions occurs a few times a year, usually before breaks or holidays. GTV is mainly student based, and the students use their creativity and intelligence to put on the daily news production, and to create special edition.

ICE is a year-long class that gives students the opportunity to leave school and go into the work field. They come to school for half of the day and are required to take a fourth period class where they learn common life skills. They get graded by their employer and if they do not have a job Mr. Bechtel looks for one that fits them. Internship is another class run by Mr. Bechtel where students get to shadow a job they wish to learn more about in the future. This class meets Mondays 1st and 3rd period, and meets at their internship Wednesdays and Fridays for 2 hours. Both classes require you to have a certain amount of credits and a recommendation from your counselor.

PACT

PACT stands for Peer Assistant for Caring Teens. Students leave school to go to the elementary schools and GMS to mentor a student they have been assigned. It is during 5th period class and only offered to juniors and seniors. This is a one year class run by Becky Boston, who has been running this class for 10 years . This program has been around for over 20 years, and students always love spending time with their PACT buddy.

Business

Daniel Hernandez (12) and Johnny Peebles (12) working together in business and personal law.

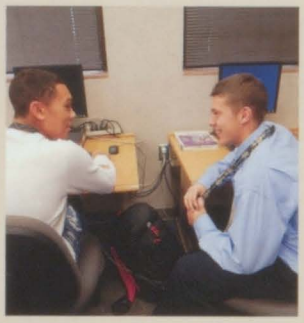

Goshen High School's Business Department offers a variety of different classes. Students can learn basic computer skills, including Computer Applications I & II, and Intro to Business. Intro to Business and Accounting I are for students with great math skills, as the teachers prepare you for knowing how to pay taxes. The intermediate level classes are Information & Communication Tech (Advanced Computer Applications), Computer Programming and Web Design. The advanced level classes are Business Law and Ethics, Interactive Media, Principles of Marketing, Personal Finance Responsibility, and Computer Programming II. If you are interested in working in the Red Zone, Principals of Marketing is the class for you. All of the classes that are included in the department prepare students for a career in the future.

Marketing Mall

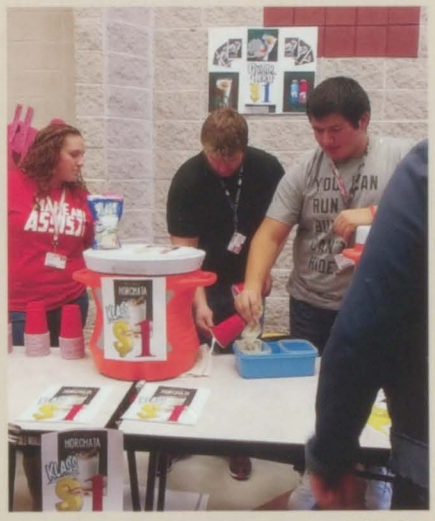

Taylor Caouette (12)

The Marketing Mall is an event run by students. The participating students have the ability to choose what they wish to sell as well as how much they would like to sell it for. They then have the ability to advertise their products. The students design and set up a booth during the set lunch hours given, and sell to passing students. The goal is to sell as much as possible. This year, products ranged from ice cream, tacos, all the way to Guitar Hero competitions and more.

The Fun Run & 3-D printer

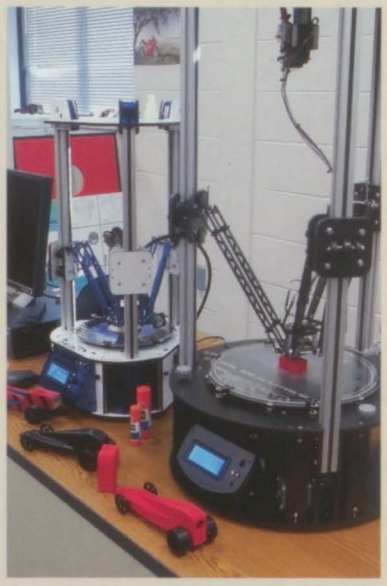

First Year Fun Run!
This was the first year that the Fun Run has taken place. It was held at the Goshen Airport where students were able to drive the car that the Super Milage Class had made. It was an event to help spread the word about Super Milage so more students would be interested in the program and the community would be aware of the timely, innovative experiences GHS students are getting.

3-D Printer gets much use
A new addition to the advancing IT curriculum is the 3-D printer. It is mainly used for the Super Mileage program to make parts for the car. As students design, many more uses are finding their way into the production line. It has been used for parts and objects that other classes need as well. For example a special design is needed for a Functional Skills student's walker that will assist him greatly as he adjusts to life at GHS.

The Health and Human Services Department is a group of dedicated teachers. They teach students the importance of a healthy lifestyle, how to handle hard situations, and the possibility of a career in the health field. GHS offers many classes in this department such as Health, Child Development, Nutrition and Wellness, and Fashion and Textiles. Students love taking these courses because it is a lot of hands-on learning and things that pertain to their life. One course that students take a particular interest in is Nutrition and Wellness. This is mainly because of the Chili Cook Off the advanced class does every year.

DAY CARE

Goshen High School has had the chance to have a Child Care Center for 22 years. It is an affordable opportunity for students and teachers to leave their children in safe hands for the school day. The Child Care Center is also a place for students in the class to get hands-on experience in child care. The children in the center range from 2 weeks to 2 years old. To work in the Center, students take regular and advanced Child Development. The center has helpful programs for the children. These programs include teaching the children sign language and music time where the children play games incorporating music.

SUPER MILEAGE

Super Mileage is a program at GHS where a group of students can design, fabricate and test a fuel efficient vehicle. There is a class that students take to be a part of this program, but there are also before school sessions so students can have more progress on their vehicle. Every year the students travel to Houston, TX to test out their vehicle in the Shell Eco Dash Marathon. One vehicle is rewarded with the best milage in the two different categories Diesel and Gasoline.

Goshen High School offers a fun interactive class that allows students to experience the process of designing, planning, and building a home. This class has been offered at GHS for several years now and each year students go into it with much enthusiasm. Kids get the opportunity to build a house from the ground up. Literally! Many of the students are pursing a career in the field of construction. The class is taught by Mr. Adam Young.

The Goshen High School Crimson Marching Band is an organization that is filled with dedicated students. Although the band moved from Class B competition to Class A, they still performed very well as a whole with the new competitors. As Goshen entered Class A, they were the smallest band in size. The directors, Tom Cox and Josh Kaufman, made sure not to let competing in Class A affect the band's performance. During this year's season, the marching band never seemed to disappoint. The band pushed through strong and made it into state finals placing 9th out of the top 10. The Goshen Marching band made a successful climb to the top of Jacob's Ladder.

Orchestra

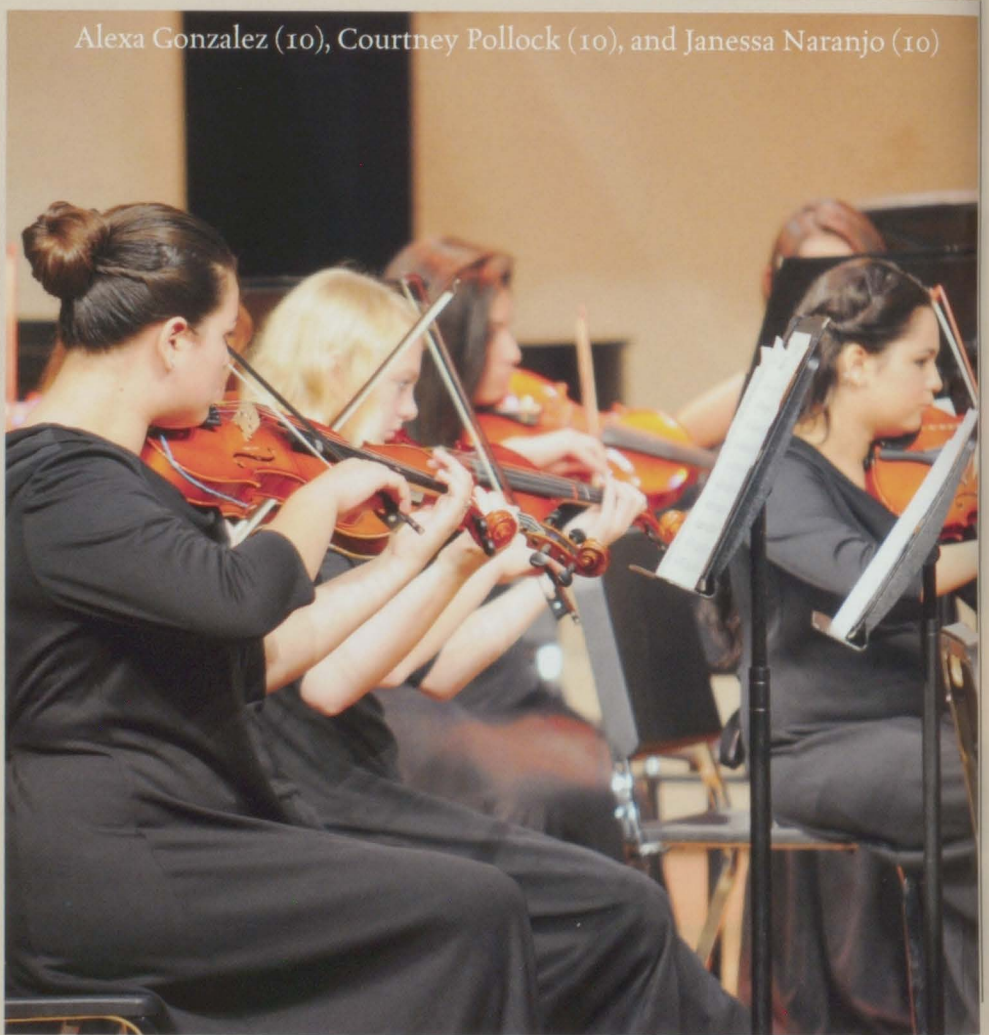

Zach Ganger (11)

"GHS Orchestras had an amazing year this year. All orchestras had many achievements that brought great honor to GHS. Crimson concert, Philharmonic and Symphonic Orchestra competed in ISSMA Contest and brought home many gold ratings in group and solo preformances. Symphonic had the honor to travel earlier in the year to Valparaiso University and Atlanta, Georgia to perform and have their talents recognized. From Christmas concerts to performing in the pit for Willy Wonka, this year was full of great memories. The seniors will be missed and will never be forgotten. 2013-2014 was a great year for the GHS Orchestras and we are looking forward to a new year where talents will certainly be challenged and recognized" Julissa Flores

A Tribute to a Great Lady, Susan Ellington: Lifetime Achievement Award

Mrs. Ellington has been teaching music for 42 years, 18 of which have been at GHS. She has been in charge of Philharmonic, Camerata, and Symphonic Orchestras. Three years ago she began the newest of orchestras, the Crimson Concert Orchestra made up of entirely freshman.

When Ellington first came to GHS there were only 20 string players in the symphonic orchestra there are now over 200 members of the orchestra. The orchestra has qualified for state finals 13 times. 11 of those were under Ellington's direction and were in the last 15 years. She has touched the hearts of many students. One in particular is senior Alexis Barton. She has been under Ellington's direction for 8 years. She says,"I can tell you that I would not be half of the musician I am today if it wasn't for her. She has been such an incredible mentor for me over the 8 years I have known her, and I am very honored to have been one of thousands of students she has worked with during her teaching career." GHS is proud to thank Susan Ellington for her sacrifice over the last 18 years and wish her the best in her new journey in life. We love you Mrs. Ellington!

High School JV Members: Carrie O'dell, Bailey Rink, Amy Quiroz, Analia Valdez, Micaela Cacahua, Daniela Garcia, Kat Antal, Nica Valdez, Katy LaGuerre

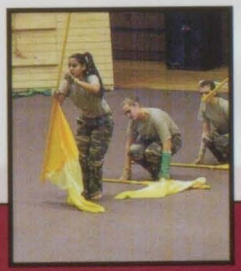

Look Who's Talking: Our 2014 Winter Guard Seniors!

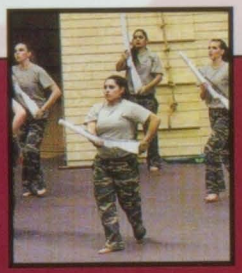

"Guard is not just a group of girls who spin and dance. It's a family with a burning passion for what we do!"
Erika Perez

"Nothing beats the feeling of being out there in the crowd doing what you love. It's like a rush of emotion that forms. You express it, and everyone sees it. It's not just performing, it's telling a story."
Alexis Dirmyer

"Being in guard was a nice experience. I enjoyed it, and I was blessed to be a part in the shows. Not only did I enjoy it, but I also grew as a person. Guard is definitely an unforgettable experience."
Stephanie Esparza

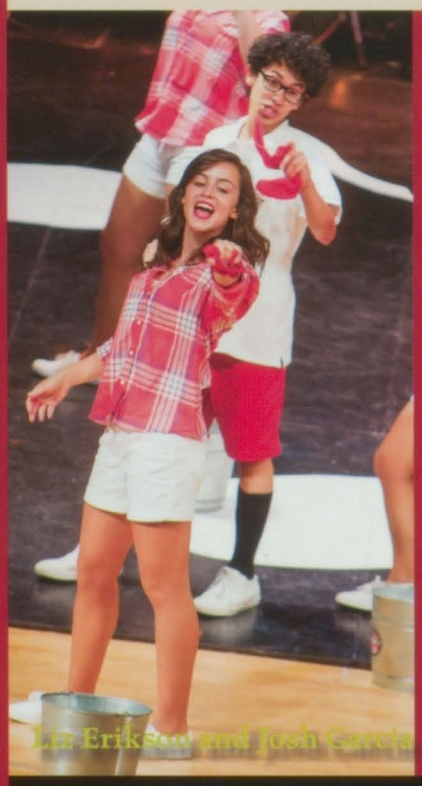

"Always fight for what you want and never let anyone put you down."
Brenda Morraz

Academic Super Bowl

The Academic Super Bowl is an annual competition held at GHS, Warsaw and Northridge. GHS students compete against students from other schools in six categories; math, English, science, fine arts, social studies and interdisciplinary. Any student is able to participate in these events. Students are encouraged to participate so they can explore their areas of interest more deeply.

JAG

Jobs For America's Graduates

JAG is a non-profit organization that helps at-risk teens that are juniors and seniors to finish high school and not drop out. It helps them become college and career ready. JAG also does a wide variety of community service events. Mr. Willsey is the co-ordinator of this organization at GHS.

Approximately 36 students are involved in the classes this year. The class helps students acheive the goal of increasing our graduation rate and providing concrete plans for our grads.

Look Who's Talking!

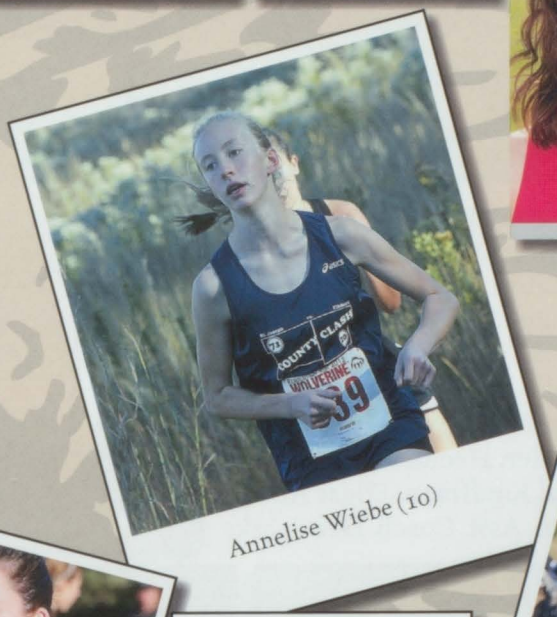

Q: Why do you run cross country?

A: I've always loved running. It always takes all your stress away at the end of the day. Also I love running on our team. We truly are a big family. We pick each other up when we are down and always encourage one another. The family effect isn't just on our own team. There are times in meets against other teams and people who I've never met that cheer you on and encourage you. I've always loved cross country and always will.
-Andrea Kline

Q: What do you like about cross country?

A: I get to see my friends.

Look Who's Talking!

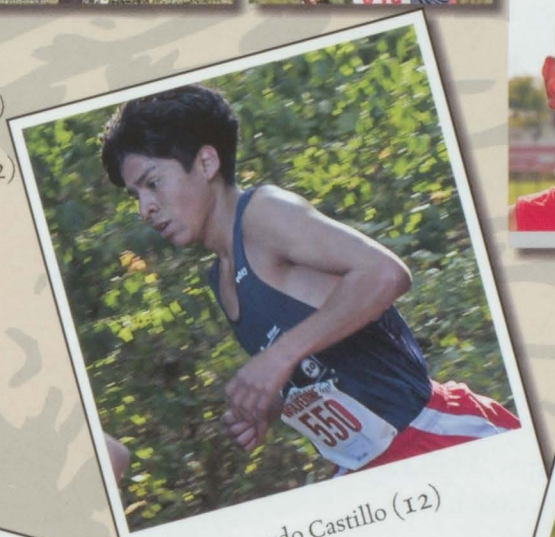

Why do you run XC?
-"Running competitively is a whole different thing than just casual, simple running. XC is very competitive and you can't see results immediately, which makes you work harder. XC makes a team a lot closer. I just like racing and doing something that too many people are afraid of doing."
Ricardo Castillo (12)

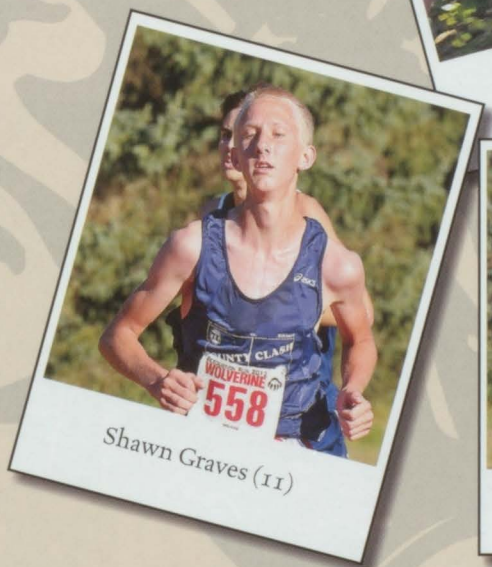

Why do you run XC?
- "The reason I run cross country has changed over the years. At first it was because my brothers had both done it, but now I do it because I consider it fun. I think that people should at least try it. A lot of people don't want to, but it is a lot of fun."
Abram Schwinn (12)

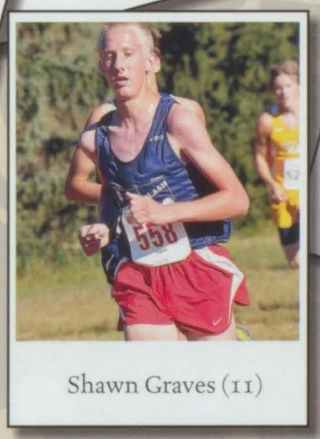

Why do you run XC?
-"I enjoy running. I think running is something that suits me best. I love the competition. It's great to go outside and just run and feel good about it."

Look Who's Talking!

How has GHS track and field positively impacted your life?

"Track and Field has greatly impacted my life because I am more aware of how my body works. Furthermore, I am now a runner and much more content with being a runner, in contrast to being a soccer player. I met a lot of my good friends through GHS track and have met the best coaches I have ever had. It is one of the biggest things I'll miss from high school,"

-Ricardo Castillo

What will you miss most about GHS track and field?

"What I will miss most about GHS track and field is Coach Maust, the best coach I have ever had,"

-Sam Byler

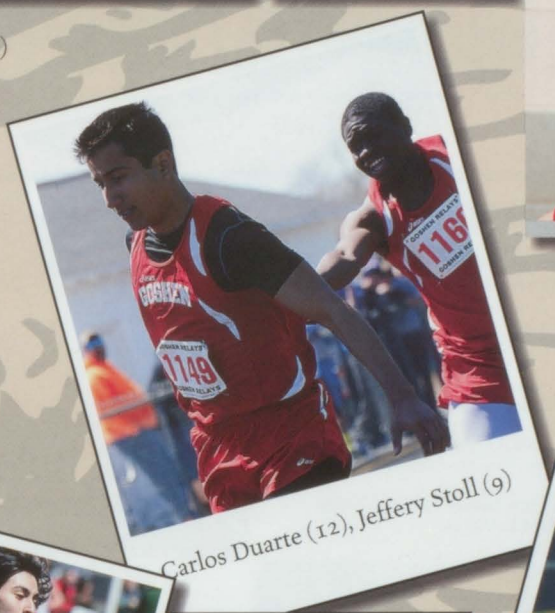

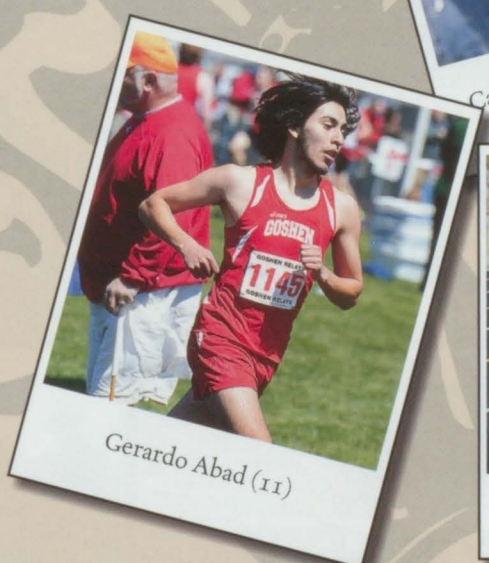

What were some of your favorite memories from GHS track?

"My favorite memories would have to be with my awesome pole vault crew. We always had a lot of fun!"

How long have you been in GHS track and field? What was your favorite event?

"I have been in track for four years on varsity. Hurdles is my favorite event,"

-Katya Hernandez

Who was your biggest role model throughout your GHS track and field experience?

"It would probably have to be Coach Maust,"

-Kristen Hanson

How has GHS track and field positivley influenced your life?

"GHS track and field has positively influenced my life because not only did the coaches teach me how to push myself and not give up when times got hard or when I got lazy, but the team itself taught me what a true family is and no matter what; we are always there for each other,"

Special Olympics

This is the second annual Special Olympics. It was organized and planned by Travis Pickard last year, and and in May it was planned by Jim Pickard. It was held at Goshen, but other schools came as well. The other functional skills classes that came were Concord, Northwood, Northridge, and the Elkhart Young Adult Program. This year we had 75 participants, 30 student volunteers, and 25 adult volunteers. The events included individual running, relays, long jump, bean-bag toss, basketball free throw, foxtail toss, football pass and kick, frisbee toss, putt-putt golf, biking and rowing, and wheel chair bowling.

Madison & Hunter,

We can't believe that you are graduating! It seems like yesterday you were starting pre school. You have both made us so proud and we look forward to see where the future takes you.

Love,
Mom and Dad

Jenny Bernal

Jenny,
Thank you for being who you are. You've overcome so much in these last few years and you always manage to get through it all. I'm very proud of you and I remember way back when it was your first day of school and now you're on your way to graduation. I hope that you continue like this- always looking to the future. I will always be right behind you supporting you. Never look back.

-Lots of love, mom

Jenna Coleman

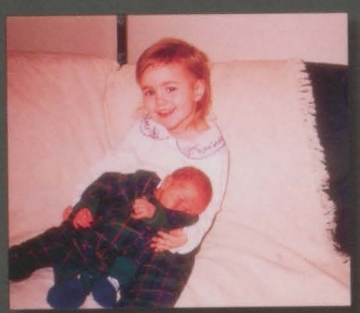

Dear Jenna,

The past 18 years have gone by so quickly! Whether you were raising money for Vest-a-Dog, throwing a flag in color guard, acting, singing or dancing, we have always been so very proud of you. May your future be everything you hoped for.

All our love,
Mom and Dad

Abbigail Fowler

Abbie,

We are so proud of you. You have been dedicated to band since 6th grade, which is a huge accomplishment. We loved watching you in marching band and showing your lambs for 10 years. We are so proud of all of your accomplishments and we are looking forward to a bright and beautiful future ahead of you.

-With love, Mom

Tori DeVries

Dear Tori,

Congratulations Graduate!
We are so proud of you and your accomplishments. Thank you for growing into such an amazing young lady. We pray God will lead you as you step ahead towards your dreams. The future is all yours, now go for it!

Love Mom, Dad, Katlyn, Joel, Alyssa

Dannielle Groves

Courtney Jones

Courtney,

We're so proud that you are graduating. You have come so far, you are just a beautiful young woman.

-We love you,
Terry & Irene

Jaron Katzer

From the moment you were born you have been happy, happy, happy. You have given us so much joy, laughter and love and we cherish every memory. Whatever is set before you, you go after it and get it done with integrity and compassion. We are so proud of you and look forward to seeing the awesome things you will accomplish as you continue on God's path for your life. Keep seeking him and living out your faith each day. Proverbs 3:5-6.

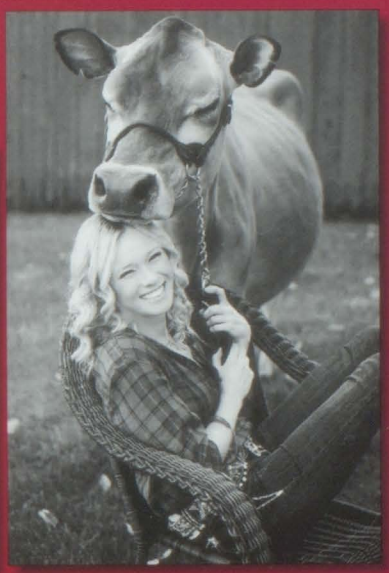

-We love you, Mom and Dad

You're such a great brother; thank goodness you've finally made it this far! *-Big Seester*

Andrea Kline

Andrea,

We are so proud of all your accomplishments in academics, running, music and 4-H. You are a beautiful and talented young woman with a bright future ahead of you.

We love you kitten,

"My wish, for you
is that this life
becomes all that you want it to,
your dreams stay big,
and your worries stay small,
you never need to carry more
than you can hold.
While you're out there
getting where you're getting to
I hope you know
somebody loves you
and wants the same things too
This is my wish." -Rascal Flatts

We are so proud of you!

Edith Lopez

Edith,

I am so proud of you not only for graduating, but for the beautiful woman you have become. You have brought so much joy into our lives and I couldn't be more grateful to have such a wonderful young lady as a daughter. I will always be beside you and be here to help whenever you need me. We are so proud of you and we love you

-Mom & Sister

Donna Kalin Lee Meikle

Donna Kalin Meikle,

Blessings to you Kalin. You are such a lovely young woman. We are so happy to be your Grandma and Grandpa Bontrager. We Love you!

- Grandma & Grandpa

Kalin you're the best daughter and sister any parent could ask for. Always follow God and your life will be wonderful. We're so proud of you. You're going to do great things.

-Love always, Mom, Dad & Brothers

P.S. You'll always be our little girl. Never forget how much your family loves you.

Garrett Miller

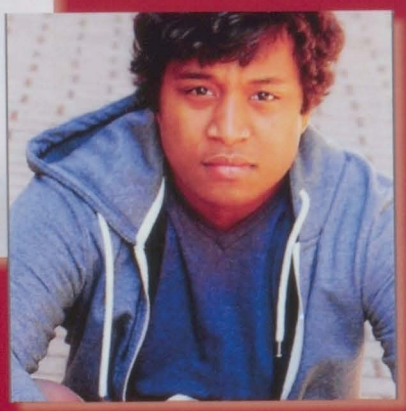

Garrett,

I will never forget the first time we met. We traveled half way around the world to include you in our forever family. You were very quiet and had a mischievous smile. While we didn't speak the same language we were still able to communicate with smiles, gestures and feeble attempts to speak Marsballese. You handled the language and culture transitions with ease and became very outgoing and full of life.

It's hard to believe that you are now on the brink of the next phase of your life. A pivotal transition, and life changing moment. You have the opportunity to explore, influence others and facilitate change in your life and those around you. You are very talented, gifted, and a bright young man. I look forward to celebrating your many successes and seeing you use the many talents that God has so richly blessed you with.

Love, Mama

Teage Minier

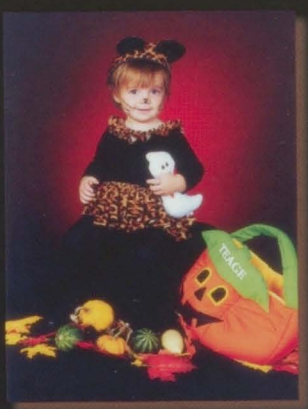

Teage,

Class of 2014!

We are so proud of who you have become, your values, and all you have accomplished.

Can't wait to see what the next chapter holds for you...

Love you lots, Mom & Dad

April Quintana

April,
You are about to embark on the next leg of your journey through life. Exciting new opportunities will open up to you, opportunities that you didn't imagine existed. They will inspire you and challenge you. You have proven to me early in your life that you are independent. You will soon be off on your own. I will no longer have front row seats to your life. The next few years are a time for you to discover who you are, what you are, and what you believe. I have raised you to the best of my ability, given you the morals, values and beliefs that I feel will be helpful as you begin life. I am so proud of you, and so proud to be the one standing beside you as you take this next step in life. With every achievement, I'll be there cheering you on. I will continue to be right here by your side through everything, giving you all the love and support I possibly can. I want you to always know that you are loved!
Love, Mom

Sarah Rush

Sarah, We are very proud of you and your many talents and accomplishments (whether it's your mental attitude award or bottom feeder recognition!) Keep being the easy-going person you are, who makes friends and connections wherever you go. you've been a blessing to us and we know you will be a blessing to others. May God continue to guide you in your life's journey.
With much love, Mom, Dad, and Luke

Madalyn Sherman Mathews

Madalyn,
My life with you has been one of my greatest journey's. From day one you have been my biggest inspiration and my first thought in every decision I made. It is difficult knowing you will be far away at college, but reassuring knowing that you are strong, confident, and smart. I am overfilled with joy and incredibly proud of the young woman you have become. You have your whole life ahead of you and you have the power to do great things. Enjoy every minute and don't ever hesitate to follow your dreams.

In Loving Memory of Christopher Pumfrey

On December 2, 2010, we lost a great friend and brother. This year would have been Chris' senior year. He was a caring person and was always there for all of his friends in their time of need. He would put his friends' needs before his. No matter the situation, he'd put a smile on your face. He is very missed and loved by his friends. He is still in everyone's memory and heart. May he rest in paradise.

In Loving Memory of Noe Loza

Noe was a creative person and a hard worker. He is one of the funniest people that I knew. He was also very unpredictable, and he did things like riding logs down the river, to random acts of kindness. You never really knew what to expect from Noe, but you could always count on a good laugh from him. I never really noticed how much of my sense of humor came from my brother. He is definitely the funniest person that I have ever known. He was always there when you needed him for comedic relief. Losing him was losing that comedic relief. He was always there to brighten up the conversation. He was also very inventive. He used to try to build rafts with his friends to ride down the river on. I'm not sure if they ever worked, but they were always trying. On October 11, 2012, we didn't just lose a student, we lost a son, a brother, a role model, and I lost my hero. He was my protector, he was always there for me. Whether I was too scared to stay at home by myself, or I was being picked on, Noe was always there for me.

Seniors

An open letter to the Class of 2014:
My wife and i are proud of this class and all that you have accomplished! Some of you are friends with my daughters. I have really enjoyed watching you grow into the wonderful young adults you are today. Many of you have visited our house, snarfed down our food, and terrorized our living room. Amazingly, We are glad for that! We are glad that you have been a part of our life in Goshen and in the lives of Katie and Jen. Thank you for the gifts you share and for the wonderful memories. May you always look back on your time at GHS with fond memories. Dr. Younghans

I remember when you first entered my room four years ago. You were young and excited about finally being in high school. As I look back on that first picture we took together, I see faces that will be soon graduating. I see the faces of those that have left us. I remember the one student who is no longer living. I remember you all with fondness. My hope was to create a place that you could come every Tuesday and Thursday that felt like home at GHS. I know I was always on you to turn in your work and improve your grades. You nearly drove me crazy that first year. But we settled in and you began to realize what you needed to do to be successful in high school. I hope you remember the doughnuts and pizza parties and the friends you made in SRT.
Four years ago you entered 3180 with many hopes and dreams for your high school years. I hope that many of your dreams and hopes were realized. I hope you accomplished many things you never thought you could. Best wishes as you head off on your next adventure. Remember, you are always welcome back in 3180!
Marilyn Graber

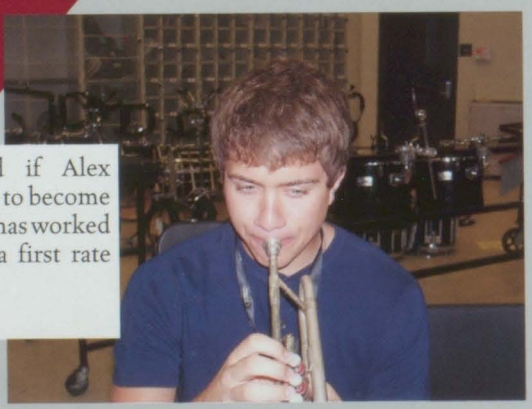

Varneecia Bennette (right): Varneecia, I knew you when you were in middle school and I would never have imagined we would cross paths again. When you started GHS, I am sure no one expected you to complete the 29 credits needed for graduation. You did it in 2 years time. I have thoroughly enjoyed seeing this happen for you. Congratulations; continue to make good choices and you will go far in life.

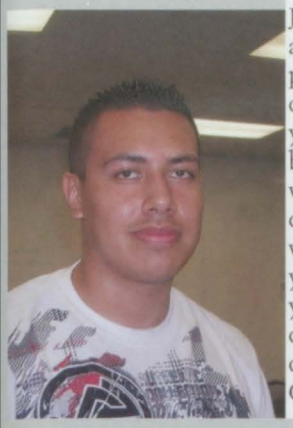

Alondra Esqueda (left): I thoroughly enjoyed working with you and helping you finish your math credits. I know you had a rough start and made immense progress in the year I knew you. Congratulations and good luck in your future adventures.
Ms. Scott

I am so proud if Alex Pobocik. He grew to become a great leader and has worked hard to become a first rate musician.
Tomas W. Cox

Alexis Barton participated in the professional level Elkhart County Symphony Orchestra. She was in the Elkhart County Concerto Competition, Fischoff, IB music, and Concert Mistress of the State Finalist Orchestra .
Thanks for your many years of training and dedication to the musical arts.

Jorge Millan- - Jorge, I'm as proud of you as any student I've ever had in 20 years of this profession. I'm proud to say that you made a complete turnaround in your junior year and you have a very bright future ahead of you because of the choice you made. You know what I'm talking about! No one forced you to change your attitude, get good grades, and work for graduation. You took ownership of your life and your education. I am proud of your accomplishment and hope you continue to work hard academically to continue on this path of success. Congratulations and God Bless!

Tyler Chesnutt is a senior. I believe that he receives special education services. I do not know who his SRT teacher is, but he frequently works with Linda Gangloff. Because I don't work closely with him, I am not sure of his academic performance.
However, I know that he WILL graduate this year, has achieved the highest possible rank in Boy Scouts of America(Eagle Scout), and has served as a Key Club member and officer(Treasurer).
I suspect that he has had to overcome some obstacles to achieve these successes. Following graduation, he will pursue vocational school for welding.

Ella Krasnova moved to the United States from Ukraine when she was 8-years-old. She is fluent in Russian, Ukrainian, and English. She has worked hard for academic success and will graduate this year. Ella is a member of National Honor Society and Key Club International, and served on the 2013-14 GHS Key Club Board of Directors as Senior Class Representative. She has balanced the demands of school, numerous hours of volunteer service, and her home life where she maintains heritage. Ella set a personal goal this year to volunteer 100 hours of service to her school and community, and has far exceeded her goal(150 total hours, I think). She credits her faith and family for her altruism, work ethic, and positive attitude, and is a role model to other students.
